

Kitchen Equipment Stainless Steel

To complement our range of Kitchen Canopies (see our *Kitchen Canopy web page*) we are often asked to

manufacture kitchen work surfaces, Tables, and shelving.

Manufactured from 316 and 304 grade stainless steel to a high standard our products are durable and reliable.

We specialise in manufacturing bespoke equipment to suit the customers exacting requirements, to fit specific locations and spaces, usually involving us undertaking a site measure and agreeing sizes and designs with the customer prior to manufacture.

Please contact us with your requirements in order that we provide a correct solution to suit your needs.
