

# Ventilation Product Sales

As well as manufacturing rectangular and circular ductwork, we also provide a range of complimentary products.

Fans, Grilles – Diffusers - Louvers, Dampers, Flex, Access doors, Filtration systems, Air-Handling units, Air Valves, Attenuators, Acoustic Enclosures, Filters, Air Input socks, TiptoE (flat roof support system).

Also;

- See our Acoustic Silencers web page
- See our Acoustic Enclosures web page
- See our Ductwork (rectangular) web page
- See our Ductwork (circular) web page
- See our TiptoE web site page

We are not tied to one manufacturer and are therefore able to select a product to suit your exact needs.

This is especially important with Fan, Air Handling Unit, Filtration System, and Grille / Diffuser / Louver selection due to the number of design variables that are to be considered during product selection.

**TOTALDUCT**  
 UNIT 41 WILFORD INDUSTRIAL EST  
 WILFORD, NOTTINGHAM. NG11 7EP
